

Titanic - Adventure Out of Time

by GTE Entertainment (Demo)

As a British secret agent aboard the R.M.S. Titanic, your mission could alter the 20th century. Match wits with an intriguing cast of more than 25 interactive characters while exploring the doomed vessel – faithfully reconstructed in stunning 3D detail. Can you rewrite history before time runs out?

Take a look at some of the stunning features and 3D images:

- Easy-to-navigate, fully explorable 3D environments with fluid 360-degree movement
- Suspense-thriller with strong dramatic and historical themes
- Characters remember players' decisions and act accordingly
- Original soundtrack and ambient effects in 3D stereo

he world renowned main staircase.
