

Please note that ^0 is not a free product.

^0 is distributed as shareware. You are permitted to use it on a trial basis for up to 30 days. If you wish to continue using ^0 beyond that period, you are expected to pay a registration fee to obtain a license to use ^0.

After we have processed your registration, we will send you a license code that you enter to complete the registration process. This removes the shareware notices and personalizes your copy of ^0.

Click on the Register... button to register ^0, or to enter your license code for ^0.

You've had ^0 for ^1 day^3, and have used it for approximately ^2 hour^4 during that time.
