I just seen trouble  
He's calling out your name tonite  
Billy get your guns  
You could walk away  
But I know you born to fight  
So Billy get your guns  
The bandileros are strung out  
In the promenade  
Billy get your guns  
And the wind whispers softly  
That the devil's to blame  
Billy get your guns

Billy get your guns  
There's trouble blowing like a hurricane  
Billy get your guns  
That's the price on your head  
For the price of fame  
And it'll never change  
Billy get your guns

There's a whiskey bottle empty  
Sittin' on the bar  
Billy get your guns

---

And some organ grinder singing  
About some sucker moving on  
Billy get your guns  
All the whores are hanging out  
Waiting to get paid  
Billy get your guns  
From some Johnny on the spot  
Who said hey keep the change baby

Billy get your guns

They christened you with whiskey  
And theres' fire running through your veins  
Well you're a outlaw just the same  
And every night a bullet wears your name

I've seen a hangman dancing  
Beneath the pale moonlight  
Billy get your guns  
And every stranger that you meet  
Thinks it's his lucky night  
Billy get your guns  
I don't envy you Billy  
But I want to say  
You better get your guns  
'Cause every outlaw that's died  
Will live to ride again  
Billy get your guns

Billy get your guns...
