I can't remember anything  
Can't tell if this is true or dream  
Deep down inside I feel to scream  
This terrible silence stops me

Now that the war is through with me  
I'm waking up I can not see  
That there's not much left to me  
Nothing is real but pain now!

Hold my breath as I wish for death  
Oh, please God wake me!

Back in the womb it's much to real  
In pumps life that I must feel  
But can't look forward to reveal  
Look to the time when I'll live  
Fed through the tube that sticks in me  
Just like a wartime novelty  
Tied to machines that make me be  
Cut this life off from me

Hold my breath as I wish for death  
Oh, please God wake me!

Now that the war is through with me  
Hold my breath as I wish for death  
Oh, please God wake me!

Darkness imprisoning me  
All that I see absolute horror  
I can not live  
I can not die  
Trapped in myself  
Body my holdind cell!

Land mine has  
Taken my sight  
Taken my speech  
Taken my hearing  
Taken my arms  
Taken my legs  
Taken my soul  
Left me with life in

### 1.3 Don't tread on me

Perf / Wykon: Metallica  
Song / Piosenka: Don't tread on me  
Plate / Płyta: Metallica  
Send / Przysłać: Rafał 'Muck' Wawrzycki (rwawrzycki@bacon.umcs.lublin.pl)

Liberty or death what we so proudly hail  
Once you provoke her rattling of her tail

---

Never begins it never, but once engaged...  
Never surrenders showing the fangs of rage

Don't tread on me

So be it threaten no more  
To secure peace is to prepare for war  
So be it settle the score  
Touch me again for the words  
That you'll hear evermore...

Don't tread on me

Love it or leave it she with the deadly bite  
Quick is the blue tongue  
Forked as the lightning strike  
Shining with brightness always on surveillance  
The eyes they never close emblem of vigilance

Don't tread on me

So be it threaten no more  
To secure peace is to prepare for war  
So be it settle the score  
Touch me again for the words  
That you'll hear evermore...

Don't tread on me

So be it threaten no more  
To secure peace is to prepare for war  
Liberty or death, what we so proudly hail  
Once you provoke her rattling of her tail

So be it threaten no more  
To secure peace is to prepare for war  
So be it settle the score  
Touch me again for the words  
That you'll hear evermore...

Don't tread on me

## 1.4 Enter sandman

Perf / Wykon: Metallica  
Song / Piosenka: Enter sandman  
Plate / Płyta: Metallica  
Send / Przysłać: Rafał 'MucK' Wawrzycki (rwawrzycki@bacon.umcs.lublin.pl)

Say your prayers little one don't forget  
My son to include everyone  
Tuck you in warm within keep you free from sin  
Till the sandman he comes

Sleep with one eye open gripping your pillow tight

---

Exit: light - Enter: night

Take my hand we're off to never never land

Something's wrong shut the light

Heavy thoughts tonight and they aren't of snow white

Dreams of war dreams of liars

Dreams of dragon's fire and of things that will bite

Sleep with one eye open gripping your pillow tight

Exit: light - Enter: night

Take my hand we're off to never never land

Now I lie me down to sleep pray my Lord my soul to keep

If I die before I wake pray the Lord my soul to take

Hush little baby don't say a word

And never mind that noise you heard

It's just the beasts under your bed in your closet

In your head

Exit: light - Enter: night

Grain of sand

Exit: light - Enter: night

Take my hand we're off to never never land

## 1.5 Holier than thou

Perf / Wykon: Metallica

Song / Piosenka: Holier than thou

Plate / Płyta: Metallica

Send / Przysłał: Rafał 'Muck' Wawrzycki (rwawrzycki@bacon.umcs.lublin.pl)

No more!

The carp rolls out your mouth again

Haven't changed your brain is still gelatin

Little whispers circle around your head

Why don't you worry about yourself instead

Who are you? Where ya been? Where ya from?

Gossip is burning on the tip of your tongue

You lie so much you believe yourself

Judge not lest ye be judged yourself

Holier than thou

You are

Holier than thou

You are

You know not

Before you judge me take a look at you

Can't you find something better to do

Point the finger slow to understand

Arrogance and ignorance go hand in hand

It's not who you are it's who you know  
Others lives are the basis of your own  
Burn your bridges build them back with wealth  
Judge not lest ye be judged yourself

Holier than thou  
You are  
Holier than thou  
You are  
You know not

## 1.6 My friend of misery

Perf / Wykon: Metallica  
Song / Piosenka: My friend of misery  
Plate / Płyta: Metallica  
Send / Przysłał: Rafał 'MucK' Wawrzycki (rwawrzycki@bacon.umcs.lublin.pl)

You just stood there screaming  
Fearing no one was listening to you  
They say the empty can rattles the most  
The sound of your own voice must soothe you  
Hearing only what you want to hear  
And knowing only what you've heard  
You You're smothered in tragedy  
You're out to save the world

Misery  
You insist that the weight of the world  
Should be on your shoulders  
Misery  
There's much more to life than what you see  
My friend of misery

You still stood there screaming  
No one caring about these words you tell  
My friend before your voice is gone  
One man's fun is another's hell  
These times are sent to try men's souls  
But something's wrong with all you see  
You You'll take it on all yourself  
Remember, misery loves company

Misery  
You insist that the weight of the world  
Should be on your shoulders  
Misery  
There's much more to life than what you see  
My friend of misery

You just stood there screaming  
My friend of misery

## 1.7 Nothing else matters

Perf / Wykon: Metallica  
Song / Piosenka: Nothing else matters  
Plate / Płyta: Metallica

So close no matter how far  
Couldn't be much more from the heart  
Forever trusting who we are  
And nothing else matters  
Never opened myself this way  
Life is ours we live it our way  
All these words I don't just say  
And nothing else matters

Trust I seek and I find in you  
Every day for us something new  
Open mind for a different view  
And nothing else matters

Never cared for what they do  
Never cared for what they know  
But I know

So close no matter how far  
Couldn't be much more from the heart  
Forever trusting who we are  
And nothing else matters

Never cared for what they do  
Never cared for what they know  
But I know

Never opened myself this way  
Life is ours we live it our way  
All these words I don't just say  
And nothing else matters

Trust I seek and I find in you  
Every day for us something new  
Open mind for a different view  
And nothing else matters

Never cared for what they say  
Never cared for games they play  
Never cared for what they do  
Never cared for what they know  
And I know

So close no matter how far  
Couldn't be much more from the heart  
Forever trusting who we are  
And nothing else matters

## 1.8 Of wolf and man

Perf / Wykon: Metallica  
Song / Piosenka: Of wolf and man  
Plate / Pięta: Metallica  
Send / Przysłał: Rafał 'MucK' Wawrzycki (rwawrzycki@bacon.umcs.lublin.pl)

Off through the new day's mist I run  
Out from the new day's mist I have come  
I hunt  
Theresfore I am  
Harvest the land  
Taking off the fallen lamb

Off through the new day's mist I run  
Out from the new day's mist I have come  
We shift  
Pulsing with the earth  
Company we keep  
Roaming the land while you sleep

Shape shift - nose to the wind  
Shape shift - feeling I've been  
Move swift - all senses clean  
Earth's gift - back to the meaning of life

Bright is the moon high in starlight  
Chill in the air cold as steel tonight  
We shift  
Call of the wild  
Fear in your eyes  
It's later than you realized

Shape shift - nose to the wind  
Shape shift - feeling I've been  
Move swift - all senses clean  
Earth's gift - back to the meaning of life

I feel a change  
Back to a better day  
Hair stands on the back of my neck  
In wildness is the preservation of the world  
So seek the wolf in thyself

Shape shift - nose to the wind  
Shape shift - feeling I've been  
Move swift - all senses clean  
Earth's gift  
Back to the meaning of wolf and man

Hey I'm your life I'm the one who takes you there  
Hey I'm your life I'm the one who cares  
They they betray I'm your only true friend now  
They they'll betray I'm forever there

I'm your dream make you real  
I'm your eyes - when you must steal  
I'm your pain - when you can't feel  
Sad but true

I'm your dream mind astray  
I'm your eyes - while you're away  
I'm your pain - when you repay  
You know it's sad but true

You, you're my mask you're my cover my shelter  
You you're the one who's blamed  
Do do my work do my dirty work scapegoat  
Do do my deeds for you're the one who's shammed

I'm your dream make you real  
I'm your eyes - when you must steal  
I'm your pain - when you can't feel  
Sad but true

I'm your dream mind astray  
I'm your eyes - while you're away  
I'm your pain - when you repay  
You know it's sad but true

Hate, I'm your hate I'm your hate when you want love  
Pay pay the price pay for nothing's fair

Hey I'm your life I'm the one who took you there  
Hey I'm your life and I no longer care

I'm your dream make you real  
I'm your eyes - when you must steal  
I'm your pain - when you can't feel  
Sad but true

I'm your dream mind astray  
I'm your eyes - while you're away  
I'm your pain - when you repay  
You know it's sad but true

Pride you took pride you feel pride that you felt when you'd kneel  
Not the word not the love not what you thought from above

It feeds it grows it clouds all that you will know  
Deceit deceive decide just what you believe

I see faith in your eyes never you hear the discouraging lies  
I hear faith in your cries broken is the promise betrayal  
The healing hand held back by the deepened nail

Follow the God that failed

Find your peace find your say find the smooth road on your way  
Trust you gave a child to save left you cold and him in grave

It feeds it grows it clouds all that you will know  
Deceit deceive decide just what you believe

I see faith in your eyes never you hear the discouraging lies  
I hear faith in your cries broken is the promise betrayal  
The healing hand held back by the deepened nail

Follow the God that failed

I see faith in your eyes broken is the promise betrayal  
The healing hand held back by the deepened nail

Follow the God that failed

Pride you took pride you feel pride that you felt when you'd kneel  
Trust you gave a child to save left you cold and him in grave

## 1.11 The struggle within

Song / Piosenka: The struggle within  
Plate / Płyta: Metallica  
Send / Przysłać: Rafał 'MucK' Wawrzycki (rwawrzycki@bacon.umcs.lublin.pl)

Reaching out for something you've got to feel  
While clutching to what you thought was real

Kicking at a dead pleases you  
No way of showing your gratitude  
So many things you don't want to do  
What is it? What have you got to lose

What the hell what is it you think you're gonna find?

---

Hypocrite boredom sets into boring mind

Struggle within - It suits you fine  
Struggle within - You ruin  
Struggle within - You seal your own coffin  
Struggle within - The struggling within

Home is not a home it becomes a hell  
Turning it into your prison cell  
Advantages are taken not handed out  
While you struggle inside your hell

Reaching out grabbing for something you've got to feel  
Closing in the pressure upon you is unreal

Struggle within - It suits you fine  
Struggle within - You ruin  
Struggle within - You seal your own coffin  
Struggle within - The struggling within

Reaching out for something you've got to feel  
While clutching to what you thought was real  
What the hell

What is it you think you're gonna find  
Hypocrite boredom sets into the boring mind

Struggle within - It suits you fine  
Struggle within - You ruin  
Struggle within - You seal your own coffin  
Struggle within - The struggling within

## 1.12 The unforgiven

Perf / Wykon: Metallica  
Song / Piosenka: The unforgiven  
Plate / Płyta: Metallica  
Send / Prześlij: Rafał 'MucK' Wawrzycki (rwawrzycki@bacon.umcs.lublin.pl)

New blood joins this earth  
And quickly he's subdued  
Through constant pained disgrace  
The young boy learns their rules

With time the child draws  
In this whipping boy done wrong  
Deprived of all his thoughts  
The young man struggles on and on he's know  
A vow unto his own that never from this day  
His will they'll take away

What I've felt  
What I've know never shined through  
In what I've shown  
Never be never see

---

Won't see what might have been  
What I've felt  
What I've know never shined through  
In what I've shown  
Never free never me  
So I dub the unforgiven

They dedicate their lives  
To running all of his  
He tries to please them all  
This better man he is  
Throughout his life the same  
He's battled constantly  
This fight he cannot win  
A tried man they see no longer cares  
The old man then prepares to die  
Regretfully that old man here is me

What I've felt  
What I've know never shined through  
In what I've shown  
Never be never see  
Won't see what might have been  
What I've felt  
What I've know never shined through  
In what I've shown  
Never free never me  
So I dub the unforgiven

You labeled me I'll label you  
So I dub the unforgiven

### 1.13 Through the never

Perf / Wykon: Metallica  
Song / Piosenka: Through the never  
Plate / Płyta: Metallica  
Send / Prześlij: Rafał 'MucK' Wawrzycki (rwawrzycki@bacon.umcs.lublin.pl)

All that is was and will be  
Universe much too big to see  
Time and space never ending  
Disturbing thoughts questions pending  
Limitations of human understanding  
To quick to criticize  
Obligation to survive  
We hunger to be alive

All that is ever ever was will be ever  
Twisting turning through the never

In the dark see past our eyes pursuit  
Of thruth no matter where it lies  
Gazing up to the breeze of the heavens  
On a quest meaning reason

---

Came to be how it begun all alone  
In the family of the sun  
Curiosity teasing everyone on our home  
Third stone from the sun

All that is ever ever was will be ever  
Twisting turning through the never

On through the never - we must go  
On through the never out to the edge  
Of forever - we must go  
On through the never then never comes

All that is ever ever was will be ever  
Who we are ask forever  
Twisting turning through the never  
Never

## 1.14 Wherever I may roam

Perf / Wykon: Metallica

And the road becomes my bride  
I have stripped of all but pride  
So in her I do confide and she keeps me satisfied  
Gives me all I need  
And with dust in throat I crave  
Only knowledge will I save  
To the game you stay a slave  
Rover - wanderer - nomad - vagabond  
Call me what you will

But I'll take my time anywhere  
Free to speak my mind anywhere  
And I'll redefine anywhere  
I roam where I lay my head is home

And the earth becomes my throne  
I adapt to the unknown  
Under wandering stars I've grown  
By myself but not alone I ask no one  
And my ties are severed clean  
The less I have the more I gain  
Off the beaten path I reign  
Rover - wanderer - nomad - vagabond  
Call me what you will

But I'll take my time anywhere  
I'm free to speak my mind anywhere  
And I'll never mind anywhere anywhere I roam  
Where I lie my head is home  
But I'll take my time anywhere

---

Free to speak my mind  
And I'll take my find anywhere anywhere I roam  
Where I lay my head is home  
Carved upon my stone my body lie but still I roam  
herever I may roam

---
