These macros are made available for your personal use and no-cost distribution. Permission for any other use must be obtained from the author. The most current version can always be found by following the "Apps" link on my homepage (<http://home.earthlink.net/~goertz/Ron/>). If you would like to be notified of updates, send me an email telling me what you like/don't like about FWCalendar.rexx or FWCAddEvent.rexx.

The documents are now in HTML format. Start by loading the index.html file in the FWDocs folder. NOTE: VOYAGER DOES NOT PROPERLY FORMAT SOME PAGES. SORRY. CONTACT VAPORWARE FOR HELP. (Note: the above link will only work if this guide was opened with AmigaGuide; the link does not appear to work when started from MultiView.)
