PowerBBS for Windows 4.0
Order Form

Pricing and Ordering Information

      PowerBBS comes complete with 3.5" disks and a bound manual.

      If you continue to use PowerBBS beyond a reasonable trial period (45 days), you are legally and morally obligated to register the software or discontinue using it.

      PowerAccess is a royalty free terminal package. No charge is required for its use.

      To take advantage of our competitive upgrade, you must send us a money order along with the original disks and serial number of your current package.
