

# Silhouettes of Children

## ABOUT SILHOUETTES OF CHILDREN

*Silhouettes of Children* is the second in a series of CDs that features full-body imagery photographed on a white background in a variety of settings and angles.

Each of the 100 images on *Silhouettes of Children* was processed on a Crosfield® drum scanner and color corrected to the highest quality and color balance standards. All images are optimized to print full page at 150-200 lines per inch. Bottom line? It's print ready so you can spend your time doing other things.

Not only do you receive 100 high-resolution images, but you receive them in four resolutions: 30 mb CMYK, 10 mb CMYK, 1 mb CMYK & 600 kb RGB. Large resolution images are JPEG compressed at the highest setting for greatest picture quality without loss of detail. Additionally, You receive professional clipping paths with every image.
