Dear Sir or Madam:

I am writing to request cancellation on a recent charge to my account (#4094 014 116 163). It was listed on my bill as LAKEVIEW MANOR and the amount is \$298.00.

The reason I am making this request is because I feel I am the victim of misrepresentation. This telemarketing company called me a few weeks ago and created the impression they were a credit card company offering a low-interest card for a one-time fee. To date, I have not received my card, but I did receive a letter post-marked for 6/7/90 explaining I was to receive a list of banks from which to choose credit cards. (Please see attached copy). When I was called by them I asked if I could cancel if I changed my mind. The manager, Robert Slater, told me there would be no problem if I decided to do so. In addition, I attempted to contact them by their toll-free number today, but every time I called, there was a recording saying to check the number.

If you have any questions concerning this ordeal, please feel free to contact me at (301) 323-0713.

Sincerely,

Jennifer G. Potter
