Dear Family, including some pretty remote cousins,

In 1896 when Miss Willie Q. Bourland and Mr. Robert Lee Shemwell got married they really started something. The information herein relates to their descendants.

Hang in there. Don't give up. I'll do a family tree so that you can see where you fit in. In the meantime here is a key to use in reading this letter:

KEY

(MA)	Mary	Robert Lee
(HE)	Helen	
(AD)	Adeline	and
(JU)	Julia	
(RO)	Robert	
(DO)	Dorothy	Miss Willie's

Enclosed are various tidbits including new family members; a letter on her branch of the family from Donna Linda Hill McPhail (MA); a report from Jennifer Potter (RO), on the changes she noticed during her 1990 visit to Greece where she used to live; some Diuguid geneology which porports to trace our family ancestry back to the first king of Scotland; and an incomplete and inaccurate feature on THE COLLEGE CROWD; plus an updated address list.

And an announcement of a Family Reunion on the 4th of July weekend in Shelbeville, Tennessee. MARK YOUR CANANDARS!

The family has some new members.

(HE) Douglas (J.D.) McGregor married Lori Adams. As his great Aunt Dixie put it: He bought an old house in the country and when he and Lori had three rooms fixed up the got married and moved in.

(AL) Laura Scowden married Brian Kunkle and they presented the family with Sean Nicholas Kunkle,
