

The background of the advertisement is a blurred photograph of a track and field race. Several runners are visible, wearing various colored uniforms (green, red, white). The track is red, and there are yellow numbers (30, 35, 40, 45) on the ground. The overall scene is dynamic and fast-paced.

# Adobe<sup>®</sup> action pack

ENGLISH • FRANÇAIS • DEUTSCH • ESPAÑOL

## BEFORE YOU BEGIN...

**Click here** or, in the menu, go to File > Preferences > General dialog box and then uncheck the “**Open Cross-Document Links in Same Window**” option. Doing this allows you to view Portable Document Format (PDF) files and still keep the Adobe ActionPack open. **Click to continue.**

## INTRODUCTION

The Adobe ActionPack CDs are packed with a powerful collection of high-quality materials designed specifically to rapidly enhance your productivity with Adobe® Illustrator®, Adobe PageMaker®, and Adobe Photoshop®—the three cornerstone products of Adobe's integrated publishing solution.

As you work with Adobe's products, you'll discover they share similar interfaces. So once you know one, it's easy to learn others. What's more, all three programs support a growing list of file formats. So whether the destination of your information is print, CD-ROM, a corporate network, or the Web, you can create once and publish anywhere—that's the beauty of Adobe software in action.

To view the contents of your ActionPack [click here.](#)

## ABOUT ADOBE SYSTEMS

Based in San Jose, Calif., Adobe Systems Incorporated develops and supports products to help people express and use information in more imaginative and meaningful ways, across all print and electronic media. Founded in 1982, Adobe helped launch the desktop publishing revolution. Today, the company offers a market-leading line of application software and type products for creating and distributing visually rich communication materials; licenses its industry-standard technologies to major hardware manufacturers, software developers, and service providers; and offers integrated software solutions to businesses of all sizes.

For more information, see Adobe's home page at [www.adobe.com](http://www.adobe.com) on the World Wide Web. *Click to return*
