1.2 introduction

```
Introduction
```

```
Somewhere , somehow i started write this 3d plugin.
```

And if you want you can use it, but 1st you should have 3d accelerated graphics card with drivers in MorphOS.

1.3 requirements

Requirements

- MorphOS
- AminetRadio
- datatypes in both versions
- tinygl.library
- 3d drivers for your graphics card

1.4 installation

Installation

Copy this plugin to a place you like.
The best way is copy plugin and all data from archive into AminetRadio:plugins/directory.

1.5 startup

Startup

You can start 3dEner from Ambient , from the CLI or from menu "Visual Plugins/3dEner".

Ambient

No special options or tooltpyes are required.

CLI

If you add "-scr" then plugin will be show in full screen mode.
