

Break Tests

Its diddicult to test breaks in isolation, but for the sake of completeness.
Before Page Break

After Page Break
Before Column Break

After Column Break

Before Section Break (continious) testing I am section 1

After Section Break (continue) testing I am section 2

Before Section Break (next page)

After Section Break (next page), I am section 3
Before Section Break (odd page) page 4

After Section Break (odd), page no is 5
Before Section Brewak (even)

After Section Break (even)
