Select Dialog Box

A drawing can contain markups from multiple reviewers. This dialog box lets you select which markups you want to view.

In the Reviewers box, select the name of each reviewer whose comments you want to view.

Or, click All to view all markups, click Mine to view only your own markups, or click None to hide all markups.

Accepts any changes you have made and closes the dialog box.

Ignores any changes you have made and closes the dialog box.

Displays general information about using this dialog box.

Click to view markups by all reviewers.

Click to view just your own markups.

Click to hide all markups.

Lists all reviewers who have added markups to a drawing. Select the check box for each reviewer whose comments you want to view.

Options Dialog Box:Markup tab

This dialog box lets you set default text and markup line attributes. You can change the font, size, and color of text, as well as the markup line color and line width.

After clicking OK, all future markups will have these attributes.

Click the arrow to the right to view a list of fonts, and click the font you want to use.

Click the arrow to the right to view the available text colors, and click the color you want to use.

Click the arrow to the right to view the available text size, and click the size you want to use.

Click the arrow to the right to view the available markup line colors, and click the color you want to use.

Click the arrow to the right to view the available markup line widths, and click the line width you want to use.

Text Dialog Box

This dialog box lets you add a comment to a drawing. In the Enter Text Message box, type your comment.

In the Font list, click the font you want to use. In the Font Size list, click the size you want to use.

Click the arrow to the right to view a list of available fonts, and click the font you want to use.

Click the arrow to the right to view a list of available font sizes, and click the size you want to use.

Enter the comment that you want to add to the drawing.
