X-Change

\$34.95

What would you do if you were a man who suddenly turned into a woman? Now you can see how the other half lives in this excellent multi-ending bishoujo game from Peach Princess!

One fateful day, while cleaning some shelves in the chemistry room, Takuya spills a mysterious chemical on himself. The next thing he knows, he's been transformed into a girl! And so begins this hilarious erotic adventure in which poor Takuya gets some very interesting lessons in anatomy and sex education! Can Takuya find a way to change back to normal, while avoiding the many temptations that come with his new female body? Find out in this great "sex-change comedy" bishoujo game, for the first time available in English! For Windows 95/98/Me/XP.

Snow Drop

\$34.95

A rich and complex multi-path bishoujo game from Japan set in a winter wonderland, this is Snow Drop! You are Minoru Sasazuka, a bit of a dreamer in your heart of hearts. Invited on a winter dream ski trip with a group of friends, you head for a ski lodge for some winter fun. For you, it's a journey home...

As the interactive story develops, you are confronted with the reality that your childhood friend Kyoka loves you, while at the same time you feel a mysterious attraction to the lovely Shizuka. Although many erotic temptations are in store for you, and there are many paths you can choose, you must be true to your heart if you're to find the one love you yearn for. For Windows 95/98/Me/XP.

Snow Drop

Tokimeki Check-in!

\$49.95

ときめき
CHECK in!

A traditional Japanese inn is a wonderful place to find the true spirit of the Japanese soul. It's also a great place to find romance and even get some action! You are Takayuki Yamano, the reluctant operator of Yamano Inn, which your parents used to run. You don't have time for moaning, because between the beautiful women who come to stay at your inn and the lovely creatures you work with, every day is a busy one!

Having so many beautiful girls around you no doubt leads to some sexual excitement, and you never were able to resist the urge to peek at heavenly bodies enjoying a bath in the hot springs. But when the lovely angels around you get in the mood, it might be time to make some beautiful music. 2 CD-ROMs!
Windows 95/98/Me/XP.

Little My Maid \$39.95

"My name is Mari," the girl says through her tears. "I work as a maid at a nearby mansion. Please...let me repay your kindness."

She takes you to the house she works at, Sea Dragon Mansion, where you encounter her two sisters, the proud and capable Hina and the delightfully cute Mayu-chan. The cold trainer-of-maids, Aya, explains the mansion to you: you are the guest, and that means that the three maids will serve you in any way necessary for your pleasure.

A wonderful and erotic interactive fairy-tale from Peach Princess and Will's Sweet Basil label, now you can play one of the most popular games from Japan, in English! For Windows 95/98/Me/XP.

Water Closet: The Forbidden Chamber \$34.95

A great new bishoujo game from Peach Princess and Will's Guilty label, this is an erotic adventure with a fresh twist on being naughty. The first multi-character, multi-path game of its kind, you choose one of five different female characters and play through different scenarios from that character's point of view. Explore a cornucopia of forbidden themes as you move through all parts of the interconnected story. Features beautiful uncensored game graphics, original CD soundtrack, full voice, and the nastiest CG you've ever seen! A refreshing new concept in bishoujo games for the English-speaking world! For Windows 95/98/Me/XP.

Transfer Student

\$24.95

I am a dreamer. Whether I'm fantasizing about my upperclassman Terumisenpai or Dad's hot new wife, all I need to make my dreams come true is a box of tissue and a little privacy. I even created my own personal "dream girl" to make my sexual fantasies even better. Her name is Shiho.

So guess how surprised I was when my "imaginary" girlfriend transfers into my school! I couldn't believe it, but there she was, the Shiho from my fantasy world.

I didn't know what it meant at the time, but I looked forward to the adventure of my life. For Mac & Windows 95/98/Me/XP.

Viper V16 \$39.95

Announcing the triumphant return of the popular Viper Hyper Animation Series from Sogna! This latest title to be ported to English and Italian by Hobibox Europe is a great game, a dual-CD-ROM title featuring excellent erotic settings in the best of the Viper tradition. V16 was a huge seller in Japan, and now you can play this great title in English.

The Viper games are special because in addition to great hentai stories featuring wonderful bishoujo characters, they feature full screen animation. This title includes two complete game stories: Rise and Imagine.

In Rise, sexy waitress Akira and two of her friends are work-

ing in a restaurant when they are abducted by bizarre space aliens. The three girls are kept in a strange cell, where they will be used for "reproduction." Can they escape? It depends on the choices you make in this excellent multi-path story. Features RPG combat, too!

In Imagine, the main character is a student in a vocational school. He encounters three lovely girls: one yearns to become a voice actress, another is majoring in music, and the third is unsure of what future she seeks. Depending on the choices you make in this beautiful and romantic story, you can find the love you seek and more. For Windows 95/98/2000/Me.

Note: due to limitations of the animation data, this product retains mosaic censorship.
