

We hope you enjoy our samples from Video Factory™, Music Factory™ and our PhotoLab® Series .

Special Note: AVI files may look sluggish when playing them from the CD-ROM, don't worry. Playback will improve dramatically when you drag the clips to your hard drive for your multimedia project. Some of the samples are not seen here in their entirety. Longer versions are available on the full versions of Video Factory and Music Factory.

Licensing agreement for Video Factory™, Music Factory™ and PhotoLab®
Samples: These samples may be used royalty free for multimedia presentations. You may not broadcast any selection in whole or in part on TV, cable or satellite. This requires special licensing.
