License Agreement

This **Ulead Art Wall** License Agreement allows you to use the software for
personal and non-commercial usage. You can use it as a personal screen saver,
for sliding show image files, for setting Windows wall papers, to restore album
files and accompany image files. You shall not disassemble, reverse engineer,
decompile, or otherwise abuse the intended purpose under this License Agreement.
The "Ulead Art Wall modules" are those files included in the Ulead Art Wall package.

Please contact Ulead for the applicable licensing terms for all other uses of the
Ulead Art Wall modules.

To set up the Ulead Art Wall:

1. PKUNZIP -d ART-WALL.ZIP that you downloaded.

2. From within Windows Program Manager, choose the Run command from
   the File menu.

3. From the Run dialog, enter your drive letter followed by the word INSTALL.
   For example, if the files are in c:\tmp directory, then you would type

   c:\tmp\INSTALL

4. Choose OK.

   This installs the Ulead Art Wall.

Note: An Art Wall program icon for the AWHOOK.EXE file will always be

placed in the Startup program group to enable the hot key for the Art Wall screen saver.
