Web-It! <tm> Bestellformular: Deutschland

German users who would like to pay in DM can order Web-It! from our agents in Holland, CopyCats Software & Services. They accept German *Schecks*, *Überweisungen* and purchase orders. You will receive the latest 16- and 32-bit versions on disk and a personal registration code. The Professional edition, with full support for Frames, Forms and Image Maps, is also available.

To order, please fill in this form and send it, along with your payment, to:

CopyCats Software & Services
