Filename: Architects Billing System
Subject: Architects
Author: Ted Montgomery
Equipment: MacPlus or newer; hard drive
Needs: FileMaker Pro
System 7: Compatible
Type: Database
Library: MBusiness Forum

Keywords: Architect Billing Designer

This is the first release of my companys billing system which I have been using and redesigning since 1986 using FileMaker software. This version runs on FileMaker Pro version 1.0V2.

Note the SCRIPTS. There are various layouts for Accounts Receivable, and other global information.
