### **WHAT TO DO WHEN YOU'RE IN AN AUTO ACCIDENT**

- 1) Wait for a police officer to write a report.
- 2) Exchange information with the other driver about yourselves and your insurance companies.
- 3) Get the names and telephone numbers of as many witnesses as you can.
- 4) While the accident is fresh in your mind and you're waiting for the police, draw a sketch of the accident scene.
- 5) As soon as possible, report it to your insurance company, even if you don't plan to make a claim.
- 6) Contact the other driver's insurance company.
