

## Physician

**ARTHUR M. BAKELSS, M.D.**

4 Kenmore Hollow ☎ Riverside, Maine 09876 ☎ (123) 456-7890

### **INDUSTRIAL MEDICAL DIRECTOR**

**OBJECTIVE:** To serve as Medical Director of large industrial firm; willing to locate in any part of continental United States.

### **EXPERIENCE**

**Assistant Medical Director**  
1991-present

***Pennecott Paper Products, Inc.***  
Pennecott, Maine

Pennecott and wholly owned subsidiary North Maine Lumber Company employ 20,000 workers in paper mills, lumber mills, and forests of Maine. Desire new post because Pennecott is selling North Main Lumber, making post of assistant medical director unnecessary. Responsible for three other physicians and twenty nurses, clerks, and technicians at the following activities:

*Lumber Camp Hospital and Clinic.* With help of industrial physician, conduct physical examinations and treat all injuries sustained in lumber camp and forest.

*Industrial Hospital.* With help of industrial physician, treat and rehabilitate illness and injuries transferred from Lumber Camp Hospital and Paper Mill Dispensary.

**Industrial Physician**  
***Company***  
1989-1991

***Conshonken Chemical***  
Newark, New Jersey

Conshonken employs 3,500 workers in the Ironbound section of Newark. The medical staff consisted of five other physicians and twenty nurses, clerks, and technicians. During my service with Conshonken, conducted physical examinations, evaluated employee health problems, treated injuries, administered Workmen's Compensation, and prepared internal hygienic programs and environmental improvement concepts. Served as acting assistant medical director in 1990.

### **EDUCATION**

**Doctor of Medicine**  
***School of***  
1984

***New York University***  
***Medicine***, New York City

Internal medicine residency at St. James Hospital, Newark, New Jersey, 1984-1989. Licensed to practice in New Jersey (1987); New York (1989); and Maine (1990). Board eligible.
