

## Welcome to Crazy Crayon

An amazingly fun drawing and doodling program for young artists. Multimedia graphic drawing tools bring out the Picasso in any youngster. Password protected EXIT MODE protects your other programs and data files from curious children, so they can use the program unattended. Includes coloring book of professionally drawn images, ready to color and print.

## Password Protection

Crazy Crayon can use a password to protect your computer so that you can let children play with Crazy Crayon without getting into your Windows programs. Crazy Crayon will not exit without typing the password. You can find out more about this feature in the PASSWORD.TXT file.

### TO INSTALL TO YOUR HARD DRIVE:

1. With the CD-ROM in your CD drive, from the Program Manager, pull down the File menu and select Run.. The Run dialog box appears.
2. On the command line type the designation of your CD-ROM drive followed by Setup.exe and press Enter (e.g. F:setup.exe). Click on the OK button.
3. The Setup program will automatically install *Crazy Crayon* and create icons and a Program Group. Just click on the *Crazy Crayon* icon to start the program.

## Crazy Crayon User's Guide

To print a copy of the **Crazy Crayon** User's Guide complete with illustrations, just click on the Print User's Guide icon. Using the Envoy utility provided, print to any printer, as you would any document.
