

Redhook's Revenge! (v1.3 1-Apr-95). Can ye plunder more gold than Blackbeard hisself before ye reach Buccaneer's Haven, or will ye wind up dryin' in the sun at Execution Dock? If guts is what ye got, then quit yer squallin' and give Redhook's Revenge a try, by thunder! Soundblaster, Adlib, and mouse support. Requires VGA and 640K. ImagiSOFT, Inc. "A perfect escape!" -- PC Answers Mag

Redhook's Revenge combines the classic novel Treasure Island with the best elements of Monopoly and Trivial Pursuit into a unique edutainment experience. Players who brush up on ships, pirates, weapons, and nautical history will have a distinct advantage over their opponents. However, in the end, those with the most cannons will prevail.
