

A Few Contract Technical Agencies: Listing by State

Soon, I'll release a .hlp file which will list no less than 5000 agencies with phone and FAX numbers - a small database I collected during my last job search.

Good Luck !

While you're looking for a job...?

A Business Opportunity !

Spare money in your spare time ? Yes, now you can join ECS by becoming an internet advertising broker. ECS is experiencing a tremendous growth in the world of electronic marketing, thus we need you NOW ! You say : "I don't know the internet, computers, don't have a computer, don't have the time, or have never done anything like it before ?" Well, you don't need a computer, don't need to know the internet, don't need much time, don't need to have ever worked before - It is that simple !

YOU ASK A FEW QUESTIONS??

Question : where do I work?

Answer:

You work in the comfort of your own home or apartment. You can work right off of your kitchen table. All you need is a pen or pencil and a few minutes a day ! All you need to do is to fill out a classified ad form, similar to the one attached, enclose your payment, and mail it to us. We do all the rest.

Question: how much can I make per ad?

Answer:

The classified ads are available to you at a discounted price:

Regular price	Your price	Your make \$
25 words - 3 weeks: @ \$35.00	\$10.00	\$ 25.00
50 words - 6 weeks @ \$50.00	\$15.00	\$ 35.00
125 words - 9 weeks @ \$75.00	\$30.00	\$ 45.00
250 words - 12 weeks @ \$90.00	\$35.00	\$ 55.00

Question: how do I get people to place ads with me?

Answer:

This simple business is so simple and easy to run. The information contained in the starter packet will show you how to advertise by direct mail, so that your entire business can be run from your mailbox ! Other information contained in the booklet also covers local advertising of your business (if you rather get out of the house more).

Question: can I resell this business?

As a broker, you will also be able to buy the business pack at a discounted price.

Regular price	Your price
\$20.00 per pack	\$ 5.00 per pack

The starter pack contains the ad forms, advertising samples, operating guidelines booklet, etc. and 2 free classified ad coupons worth up to \$70.00 . As you see, you can begin as a broker without risk. All you risk is making some extra income, and the amount you make is going to depend on your efforts. You can even start this business part time,

spending no more than 30 minutes a day running it.

You must be wondering : how can you offer me this business opportunity and still make money? The fact is that, unfortunately, unless we hire dozens to hundreds of people, we have to turn business away, MONEY AWAY! There is a limit as to how much a small business can handle. But if we divide the work load, we can definitely manage it. We don't mind sharing the profits with you. If you help us, then you deserve to get paid for it!

To begin making money, order your starter package today ! Please enclose your money order payable to: **V.W.S.**
