

Register **SPS Games Pack** *now!*

If you're addicted to these games, please register and support a struggling research fellow!

For £15, you can register Arachnid, Towers, Montana and Mines, and receive a handsome registration certificate and a registration number to replace the 'Unregistered Copy' message with your name.

Just print out the form below, fill in the details and fax it to SP Services on (01703) 322416 (that's +44 1703 322416 if you're not in Britain). If you've no fax, post the form to:

SP Services
PO Box 456
Southampton,
United Kingdom
SO17 1LP

You'll have to do this if you don't want to pay by credit card, too, but please note we can only accept payment in pounds sterling. We also accept orders by electronic mail to **sshipps@cix.compulink.co.uk** or on **CompuServe** to **100016,1625**; you will get an e-mail reply as soon as the order is received, followed by a registration certificate in the post. *Please supply all the same details.*

Creepy Disclaimer (the small print in big letters)

Don't forget that there are no warranties associated with this software beyond saying that it will do what it says in the documentation/help files. If you manage to mess up your installation and think it has something to do with one of these games, we're sorry but they only cost £15, didn't they. Similarly, time, profit or jobs lost as a consequence of playing them are your own problem. Now for BIG money we'll give you a warranty. However, *registered users* may e-mail sshipps@cix.compulink.co.uk or CIS 100016,1625 or fax +44-703-322416 and we will do our best to satisfy your requests.

US and other non-UK Users!

Please do register! It's really easy; you simply send in your credit card details & address, we debit your credit card in pounds sterling, and the credit card company do all the hard stuff about currency conversion. As a special incentive, there are no extra shipping costs for non-UK orders! If you really cannot avoid sending a cheque, please make it payable to 'SP Services' and add the equivalent of £5 sterling to cover the currency dealing charge our bank imposes.

Just for the record, all the Games are © Copyright 1991-4, Clarity Systems Ltd and were written by Dr Ian Heath; this chatty registration form is entirely public domain.
