5. Encourage suggestions from users for product improvement.

## **What are the advantages of being a Blind Mellon Customer?**

1. Availability of inexpensive shareware packages.
2. Opportunity to make suggestions and have your ideas implemented where appropriate.
3. Bonus programs, 3 for 2,
4. Quarterly distribution of shareware and freeware diskettes.

## **Why did they pick that name?**

1. Get your attention.
2. Its a secret.

## **FREE Software Bonus**

All Blind Mellon customers get 3 for 2, any customer that registers 2 products gets the third one free, 3 for 2, 6 for 4, etc. There are no restrictions on price, register any two Category A products and get your choice of any third one free. This will apply toward multiple license requirements as well, i.e. license price for 3 copies of the same software is the cost of only two copies. Once a customer has registered two products you will be given a registration for any Category A product of your choice, or a bonus certificate can be requested to be held for future use.

Blind Mellon customers have always enjoyed FREE Upgrades, any time a new version of a product is released, all registered users are notified and may download and register with the same ID number. All customers are notified when a new product is released so that you may hold your BONUS credits for future use.

## **Blind Mellon Software produces as quarterly shareware diskette and freeware diskette.**

Freeware is software that may be freely distributed and grants the user the right to use the software at no cost. We have produced freeware and have a substantial library of freeware that we distribute for the benefit of our customers. Once a quarter we produce:

1. One shareware diskette, which includes the latest version of all of our packages, when you receive this diskette you avoid the download charges required to upgrade your registered software, as well as you will have the opportunity to try other packages and will not incur any download cost normally associated. We also include other shareware packages that

we consider a good value for the money.

2. One **freeware** diskette, includes a wide variety of software, graphics, Icons, all software included on this diskette is yours to keep at no charge.

Examples of items found on freeware diskette:

1. Icons
2. Nice graphics files, small bmps that can be used as wallpaper
3. Games.
4. Utilities.

TopCat is an example of a freeware program, it is yours to keep.

**Any Blind Mellon Customer that registers any product will receive an additional Quarterly distribution of the above diskettes.**

**quarterly distribution schedule:**

Jan 1, 1995  
March 1, 1995  
July 1, 1995  
October 1, 1995

Once you register a product your diskettes will be mailed directly to you, thereafter the second registration will get you the next quarterly freeware diskette based on the above schedule. You may request a second Shareware diskette if needed. The third registration will entitle you to a third quarterly diskette of freeware, etc.....
