

IMPORTANT! READ NOW!

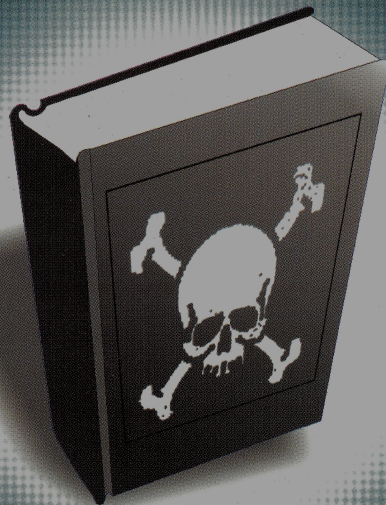

This CD-ROM is for RESEARCH PURPOSES ONLY. The primary intent of this CD-ROM is to provide the user with hard-to-find content for RESEARCH or SELF-EDUCATION relevant to Computer Programming and various protection methods and their intrinsic flaws by demonstrating reverse-engineering methods and techniques used to circumvent them. While possession of information/programs included on this CD-ROM violates no laws, actually using or implementing some of the programs or content on this CD-ROM may violate Federal law. For this reason the user is instructed NOT TO USE ANY OF THE PROGRAMS OR CONTENT ON THIS CD-ROM WHICH MAY VIOLATE ANY LAWS OR INFRINGE ON THE COPYRIGHT PROTECTION OF OTHERS. In addition, before using/reviewing any of the content on this CD-ROM, the user must agree to and is bound by the terms of the End-User License Agreement included with this product. This product is manufactured under the First Amendment rights for Freedom of Speech and is for Informational Purposes Only. None of the programs, techniques or information relating to "cracking", "hacking" or reverse-engineering were created by the publisher. Neither Dark Bay Publishing, its owners, employees, distributors, vendors, resellers or any of their agents will assume liability for the actions of any end user who knowingly violates any law as a result of applying knowledge or executing a program included with this product. WE URGE EVERYONE TO USE THIS PRODUCT RESPONSIBLY.

TO START HACKING:
