SOZAIJITEN® Vol.202 (Lovely & cute girls)

•Program Description

Thank you for purchasing this product. SOZAIJITEN is a copyright-free digital photo collection that can be freely modified and used as many times as you wish. A set of 200 photos carefully selected by theme is available in two file formats, at high and low resolution. It can be used for a wide variety of purposes, ranging from printed manuscripts and web design to CG production. This hybrid CD-ROM is compatible with both Macintosh and Windows.

•Data Format

High-resolution　200files　2950 x 2094 pixels　350dpi　RGB/JPEG
Low-resolution　200files　640 x 480 pixels　72dpi　RGB/JPEG

* Images contained in this product are processed using AdobeRGB(1998).
* The images can be viewed using the provided HTML files.

•Caution for Use

This product can only be used by "registeredusers", regardless of being individuals or corporations. Conduct subject to prohibited matters, however, is forbidden. We possess the copyright and licensing rights of the image data included in this product and all the contents of the programs that we developed.　For further detail, please read "SOZAIJITEN User License Agreement" in this package.

•User registration

User registration is required to use this product.　We apologize for any inconvenience, but we ask that you kindly complete the attached registration card and return it to us.
