VERSE 1:

G F#m F Em
He saw a lady and his heart was beating fast
G F#m F Em
And then just accidently her scarf fell on the ground

Too blind to see he didn't get up from his ass
G F#m F Em
He missed the only chance he ever really had (No, No, No!)

G D Em B C G Am D7
In a little town lives a Mr. Brown, he's a decent man
G D Em B C G Am D7
Monday time to work - Sunday time for church, he does what he can
G D Em B C G Am D7
To stand in the last row - never let it go, only to feel safe
G D Em B C Cm G
Hello Mr. Brown - Come out of your town, it's easier when you just act brave

VERSE 2:

G F#m F Em
Yes Mr. Brown just doesn't look as if he's rich
G F#m F Em
'Cause all the money he earns goes directly in the bank

G F#m F Em
Uh sometimes happyness results from very different things (No, No, No!)
