

MyBattery, Insomniac and Threshold Registration form

When you receive any of these programs, they will be unregistered. This means that while the program is fully functional, some advanced features are disabled.

When I receive your registration fee, you will become a registered user. I will send you a letter with a registration password, which you will need to fully activate your unregistered copy.

To register, print out and fill in this document. Send it to the address below with your registration fee. If you are sending a check or money order, it must be in U.S. dollars, and drawn on a U.S. bank (foreign postal money orders are fine). Also, please make it payable to Jeremy Kezer.

Register any one for \$10, any two for \$15, or all three for \$20!

Please check which program(s) you are registering:

- Registering MyBattery 2.2.4 (for all PowerBooks)
- Registering Insomniac (for PowerBook 100 & Duos)
- Registering Threshold (for 1xx series PowerBooks)

NAME :

ADDRESS :

CITY :

STATE :

ZIP :

COUNTRY :

PHONE (optional) :

Where did you find this utility?

What type of PowerBook do you have?

Your email or internet address?

Any comments or features you'd like to see added?

Please let me know what your electronic mail address is (via America Online, CompuServe, or Internet), so I can notify you of future upgrades!
