

## **Note:**

Using fonts with this software—like on any other system in digital prepress—assumes that you acquired the rights on these fonts from their respective owners. Using fonts without permission (license) from the owners is prohibited. By opening the CD package, you commit yourself to observe this restriction when using the software and to pass on this agreement to everybody to whom you will be giving this software.

All rights on images and illustrations on this CD are reserved to their respective owners and not to OneVision GmbH. Using these images and illustrations, except for demonstration, educational, or training purposes, may violate the right of their proprietaries and is strictly prohibited. Any further duplication and usage requires the owner's explicit permission.
