Compression and Archive Utility

Ταρρε_ΣΓ-Ηαλφ.τιφφ ←

Tarre is the compression and archive utility for computers running NEXTSTEP. Its superior integration with the Workspace Manager makes creating and using compressed, archived or split files unprecedentedly easy. Whether you use archives for performing daily backups, efficiently transferring files over the network, or freeing up space on a hard disk, Tarre will prove to be an invaluable tool.

Requires NEXTSTEP Release 3.1 or higher.

Now shipping in Multi-Architecture Binary (MAB) format.

Tarre is a registered trademark of Aurora Software. All Rights Reserved.
