

HTML Clip-It Version 1.x

Legal And License Information

GENERAL LICENSE AGREEMENT

HTML Clip-It and it's documentation are Copyright 1999 Robert W. Mech no portion of this this copyrighted package may distributed and/or except as decribed in the license granted herein.

USAGE PROVISIONS

Permission is granted to the user to use the software and associated files in this package to create and maintain HTML and HTML related files. You may use this software for the purpose of evaluation for Thirty (30) days free or charge. AFTER THIRTY (30) DAYS YOU MUST REGISTER THIS PRODUCT AND OBTAIN A SERIAL NUMBER/REGISTERED COPY OF THE SOFTWARE. This software may not be used to distribute copyrighted material without the permission of the original author. Robert W. Mech takes no responsibility for the use or information distributed by the use of this software. By using this software you accept all the terms and conditions of this document. THIS SOFWARE IS NOT TO BE USED TO SOLLICIT OR PROVIDE ILLEGAL MATERIAL.

RULES FOR ALL DISTRIBUTION

Permission to distribute the UNREGISTERED package is granted in advance, provided that the following conditions are met. These archives must not be re-archived using a different method without the explicit permission of Robert W. Mech. You may rename the archives only to meet the file name conventions of your system or to avoid file name duplications but we ask that you try to keep file names as similar to the originals as possible. Ready-to-run unarchived distribution on CD-ROM is also permitted if the files are arranged in our standard directory or folder structure as though it had been properly installed on a hard disk. No portion of this package may be separated from the original package and distributed separately. Non-commercial distribution in which no money or compensation is charged (such as a user copying the software for a personal friend or colleague) is permitted with no other restrictions. Teachers and educational institutions may also distribute the material to students and may charge minimal copying costs if the software is to be used in a course. REGISTERED COPIES OF THIS SOFTWARE MAY NOT BE DISTRIBUTED IN ANY WAY FORM, ELECTRONICLY, OR BY ANY OTHER MEANS, KNOWN OR UNKNOWN, OTHER THAN FROM ROBERT W. MECH DIRECTLY. SOFTWARE DISTRIBUTORS MAY OBTAIN QUANTITY LICENSES BY CONTACTING ROBERT W. MECH DIRECTLY.

CONDITIONS FOR SHAREWARE/FREWARE DISTRIBUTION COMPANIES

Shareware and freeware distribution companies may distribute the EVALUATION COPIES of this software using media such as, but not limited to, floppy disk, CD-ROM, tape backup, optical disks, hard disks, or memory cards. You must notify me that you are distributing the HTML Clip-It and must provide me with information on how to contact you should any issues arise. No more than five dollars U.S. (\$5) can be charged per disk for the copying of this software and the media it is provided on. Space on each disk must be used as fully as possible. You may not spread the files over more disks than are necessary. Distribution on high volume media such as backup tape or CD-ROM is permitted if the total cost to the user is no more than \$0.10 U.S. dollars per megabyte of data. IN ANY DISTRIBUTION OF THIS SOFTWARE TO THE GENERAL PUBLIC THROUGH NON-ELECTRONIC MEANS, ROBERT W. MECH MUST RECEIVE A COMPLEMENTARY COPY OF THE PUBLICATION WITHIN 2 WEEKS OF PUBLIC RELEASE OF SAID PUBLICATION.

REVOCAION OF LICENSE

VIOLATION OF THIS LICENSE IS A VIOLATION OF COPYRIGHT LAWS. IT WILL RESULT IN REVOCATION OF ALL DISTRIBUTION PRIVILEGES AND MAY RESULT IN CIVIL OR CRIMINAL PENALTY. ROBERT W. MECH MAY REVOKE THE SOFTWARE LICENSE AT ANY TIME FOR VIOLATION OF THIS LICENSSE AGREEMENT OR AS THE USE OF THIS SOFTWARE IS OUTSIDE OF IT'S INTENDED PURPOSE.

DISCLAIMER

This software is provided as is without any guarantees or warranty. Although the authors have attempted to find and correct any bugs in the package, they are not responsible for any damage or losses of any kind caused by the use or misuse of the package. The authors are under no obligation to provide service, corrections, or upgrades to this package.
