Welcome

Welcome to WinSettings for Windows 95/98

This Evaluation Version of WinSettings for Windows 95/98 works for thirty (30) days. It will no longer work afterwards. If you have made changes in your settings with this Evaluation Version, it may require WinSettings to restore them. Please be sure to do so before the program expires or uninstalling it. In order for you to maintain uninterrupted use of WinSettings, you must purchase the full end user license.

WinSettings is a powerful Windows 95/98 utility program that helps you gain control of Windows. It provides many convenient and easy-to-use tools and features, such as the **Image Changer** for quickly customizing your Desktop, the ability to create **Tray Icons** and **Tray Icon Menus** in the Windows 95/98 taskbar system tray and to change **Shell Icons** (e.g. the Recycle Bin icon), play background music, and much more.

Important!   Please read the Software License Agreement before using this software.
