Legal Stuff

The enclosed icons were created from scratch by Hide Itoh. You may distribute this icon set provided you keep the set intact, including this read me file and do not charge or request fees or compensation of any kind. It's freeware, but this does not mean you can use it for whatever purposes.

These icons may not be used for any commercial purposes. If you want to put this archive to CD-ROM that comes with commercial books, magazines, etc.. , you are required to contact the author and must get the written permission in advance.

If you want to use these icons for your personal home page, please drop me an e-mail and let me know the URL of your personal page. Your comments are always welcomed.

How to make use of the Icons on a Mac:

1. You need system 7 or higher.
2. Do a "Get Info" (File menu) on the original icon file that you want to use.
3. Click on the icon in the window; choose "Copy" (Edit menu).
4. Close the window, then "Get Info" on destination file/folder/disk.
5. Click on the icon, choose "Paste" (Edit menu).

Tools I use to create icons

ResEdit 2.13 (by Apple Computers) That's all.
