

Hide's Town Icons

These are the icons I have created and contributed to the Icon Town <<http://www.icontown.de/>>.

These icons are Freeware. You may distribute or use them only for personal purposes. If you want to use them for a commercial purpose, you must contact me by an e-mail and get the permission from me.

If you put these icons to your home page, please drop me an e-mail and let me know the URL of your home page.

Enjoy! :-)
