

November 1999

Newton Icon Collection

What's This?

I love my Apple Newton! It was made in 1993 and it still kicks! I have a TV Remote control on my Newton (fun at bars and restaurants), a Hex to Decimal converter, and of course the various daytimer/organizer features.

Legality:

The enclosed icons are ©1999 PixelPress. The icons are original artwork from the author and can be used free of charge by any person or company public or private without a licensing fee. These icons can only be distributed as freeware. If you choose to redistribute Newton Icon Collection, you may not charge fees or request compensation OF ANY KIND and the read-me file must accompany the set at all times. By downloading this file you are agreeing to be bound by the terms of this agreement.

How to make use of these Mac Icons:

1. You need system 7 or higher.
2. Do a "Get Info" (File menu) on the original icon file that you want to use.
3. Click on the icon in the window; choose "Copy" (Edit menu).
4. Close the window, then "Get Info" on destination file/folder/disk.
5. Click on the icon, choose "Paste" (Edit menu).
6. Don't forget to e-mail me and let me know what you think!
