Comment

To celebrate the new year 2000 and grand opening of Pixture Studio, I have created this icon set. Since it's very hard to express delicate color of Japanese sweets, I used 32bit color for this icon as a special case.

Legal Stuff

The enclosed icons were created from scratch by Hide Itoh. You may distribute this icon set provided you keep the set intact, including this read me file and do not charge or request fees or compensation of any kind. It's freeware, but this does not mean you can use it for whatever purposes.

These icons may not be used for any commercial purposes. If you want to put this archive to CD-ROM that comes with commercial books, magazines, etc.. , you are required to contact the author and must get the written permission in advance.

If you want to use these icons for your personal home page, please drop me an e-mail and let me know the URL of your personal page. Your comments are always welcome.

Tools I used to create this icon set

IconoGrapher, Photoshop, ResEdit
