**Multi-Media Artists****Digital Video Producers****Videographers**

If you're tired of searching demo tapes... paying hundreds or thousands of dollars a minute for stock footage... or are new to the world of stock footage... then MEDIA-PEDIA Video Clips are for you. MEDIA-PEDIA Video Clips CD-ROM v.1.2 gives you the convenience of already digitized video clips in Microsoft's Video for Windows .AVI format in 24 bit color compressed with Intel's Indeo video technology. These exciting video clips costs less than \$4.00 per minute in VHS videotape. MEDIA-PEDIA Video Clips in Full-Screen/Full-Motion analog videotape allows precise control of digitizing specifications; such as image quality, window size and frame rate: and is NTSC compatible for use with current hardware and software technologies, and most future compression algorithms.

MEDIA-PEDIA Video Clips, the stock footage collection, is a Story of Life in Motion; presented in a Dramatic Knowledge System to evaluate the Visual, Information and Dramatic CONTENT of individual clips.
